

# 1 syskern Functions

In R, the functions in this package are made available with

```
> library("syskern")
```

As of R-2.1.0 the code from the vignette that generates this guide can be loaded into an editor with `edit(vignette("syskern"))`. This uses the default editor, which can be changed using `options()`. Also, it should be possible to view the pdf version of the guide for this package with `print(vignette("syskern"))` and the guide for the dse bundle with `print(vignette("dse-guide"))`.

Not yet.
